Lutheran Church

June 2019

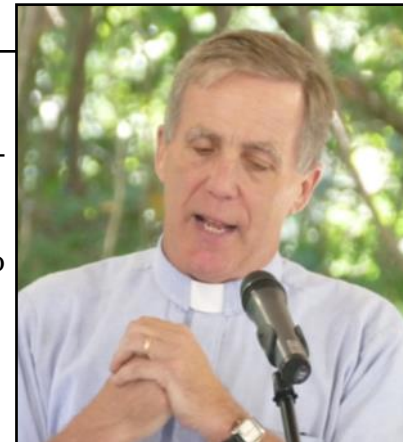

PENTECOST

Join us June 9. Details on pg. 2...

A Word from Pastor Trump

How about some quick notes, for all you busy people?

- ♦ I commented during the 11:00 worship recently that I am amazed and gratified regarding the vast number of people involved in leading worship. To begin listing them will leave people out. It would be a shame to not point out the children who sang and led the psalm and the Bible Playday kids who were fabulous. Behind every child is a parent who commits to bringing them and volunteers and staff people who work with them. Thanks! It makes for vibrant worship.
- ♦ As usual during the summer attendance fluctuates a great deal as people travel and do all sorts of things. You must use your own judgement about these matters. There was a day in this land of ours that most things were not open on Sunday morning. (amusement parks, pools, stores, and more.) Most people did not have to work on Sundays except farmers (which is probably why we worship around 11:00, so farmers could do their morning chores and then come to worship). Hopefully worship is also something that refreshes your soul this summer!
- ♦ Regarding the above: PLEASE continue to remember your church with your faithful giving. When you are not have activities are not cut back, and the utility and other bills still come in.
- ♦ Please take note of the “Summer Sunday Fellowship” time between worship services. Who could you get to know better? Whose STORY could you hear? We simply must continue to work to improve community!
- ♦ Please keep my cell phone number in your phones. It really helps especially during these months of crazy schedules—(803) 920 – 2722. Please DO NOT use email for critical time sensitive matters.
- ♦ Life is good. God is great.

PENTECOST - JUNE 9

Pentecost is one of the “big three” worship days of the church calendar, along with Christmas and Easter. We rejoice in the spreading of the gospel, and the mission of the church especially as demonstrated by the baptism of over 3000 people.

This year we want to celebrate baptism and the waters of baptism and mission. Will you **PLEASE join us** and help us by sending via email or bringing in at least one of these?

- A picture of your baptism if you have it, whatever age.
- A baby picture with your name on it. We could print it out for you and put your name at the bottom or if you bring it in you could do it. We want to post these just for fun!
- A picture of the church where you were baptized
- A picture that reminds you of your baptism, maybe of a favorite water scene?
- A picture of your baptism certificate.

If we don't have a lot of people do this it just won't work. We will also be celebrating the conclusion of the Makusi Water Project. There will be new art on the wall provided by the quilting group.

PLEASE try to wear BLUES and GREENS so that we have a WATER SCENE in the pews!

There will be cookies, coffee and punch reception to celebrate the gift of the Holy Spirit.

Youth, Mark Your Calendars!

7th - 12th grade youth

WOW – June 9-14.

Youth and adults will come together with other church groups at St. John's Lutheran Church in Knoxville, TN to serve the many needs in that area. This year, 5 youth and 3 adults from St. Andrew's will be participating.

Carowinds – Thursday, June 20.

Cost is \$45 per person plus money for food. Please let Sandra know by **Sunday, June 9** if you plan to join us.

GraceWorks

Many years ago, St. Andrew's began participating in WOW at St. John's Lutheran Church in Knoxville, TN. This ministry has proven to be one of the best service events we know of and we continue to trek to Knoxville year after year. Because of this strong ministry, a group of people came together in 2015 and started GraceWorks in Columbia which is modeled after WOW. The main difference in WOW and GraceWorks is that the participants don't spend the night, but work is done daily to serve those in need in the Midlands.

This year GraceWorks is **July 14-19** and youth who have finished grades 6-12 are invited to participate. The cost for the week is only \$50 and it is housed at Ebenezer Lutheran Church in downtown Columbia. Nathan and Beth Mullins serve on the planning team. If you are interested in participating, please let Sandra know by July 1.

Congratulations!

We rejoice with Sarah Holland and Mike Loudon upon their marriage at St. Andrew's on Saturday, May 25.

Family Promise begins June 23

The white board for manual signup will be in the narthex or you may sign-up online at www.salutheran.com. Make sure you scroll down to Family Promise.

Right now, we have three families:

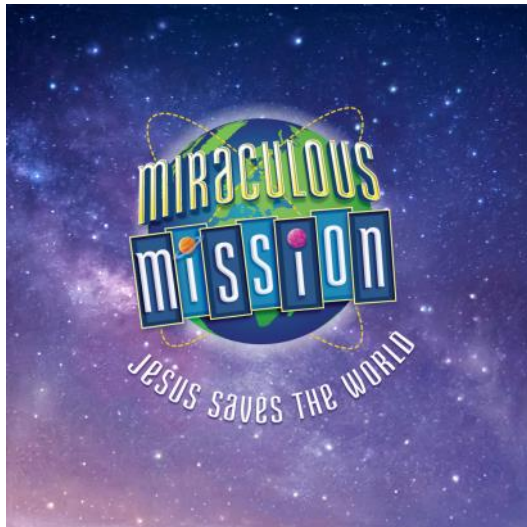

- One mother with a 7 year old girl and 1 year old boy. (This family stayed with us in April.)
- One mother with a 2 year old son and 6 month old son.
- A mother and father with a 10 year old son and a 6 year old daughter. (This family will need transportation to and from the Day Center.)

Family Promise has a van for transportation that will be at our church. The Day Center is literally one mile away from the church, so it will not take long to transport them to the Day Center and it can actually probably be done a little later than usual. There are LOTS of opportunities to serve in this ministry! Thank you for your support.

Mark Your Calendars for Dramarama Day Camp

This summer the council has committed to having a two week Dramarama using drama as a tool to address **READING** with middle school students.

Pat Gagliano will be heading up the camp, and Vicky Saye Henderson and Rachel Cooper will both be instructors. The camp will be held Monday to Friday from July 8 through July 19 with final performance presented by the youth on that Friday afternoon.

If you can help in any way, contact Pat Gagliano at patrick.gagliano@newberry.edu.

Offering Envelopes

If you give your offering to St. Andrew's regularly by using the online access and are still receiving offering envelopes, please let us know if you'd like to save the church some money by canceling your envelopes. Please contact the church office with this request.

Council Highlights

Opening

- Tom Henry called the meeting to order at 6 p.m. The devotion was led by Claire Birdsong.
- Minutes of the April 2019 meeting were approved.
- Tom reminded Council members to lock the balcony, parlor, and workroom doors on Sundays after depositing the offering and returning the bank key.

Pastor and Deacon Reports: Pastor Trump's and Deacon Holland's reports were accepted as distributed.

Finance: Giving for April, 2019, was \$2,489 **less** than actual expenses and \$7,181 less than budgeted expenses. YTD giving through April 30 was \$2,590 **less** than actual expenses and \$13,098 less than budgeted expenses.

Property

- On April 22, 2019, Council members responded to an email from Tom Henry requesting approval to spend up to \$500 from the Welcome House Fund to replace a clothes dryer in the Welcome House. Council approved the expenditure.
- Tom Bane reported that work should begin on the handicapped-accessible restroom in August, when the current restroom renovations are completed.
- The Property Team is securing estimates for electrical repairs in the Welcome House, including a new panel box. Council approved the expenditure of funds to replace the dryer connection to accommodate the newly purchased dryer.
- Tom Henry reported that the McWaters firm is finalizing design proposals and estimates for upgrades in the narthex and sanctuary; the narthex committee will meet with representatives from McWaters to review options in the coming weeks.

Witness & Fellowship: The Witness & Fellowship Team reported a successful Easter breakfast celebration, and announced plans to organize summer game nights.

Stewardship: The Stewardship Team will work over the next few months to plan a fall stewardship focus with a specific goal of increasing electronic giving.

Education: June 16 is the last day of Sunday school for this school year; Vacation Bible School will be held July 21-25.

Worship: The Worship Team has been reviewing Easter and Lent services and their attendance, Altar Guild leadership needs, plans for summer worship, ongoing planning for updates in the narthex and sanctuary, and the purchase of new chimes for the bell choir.

Cemetery: The Cemetery Team is in ongoing discussion regarding necessary grading work and other maintenance needs.

Unfinished Business

- Tom Henry asked Council members to review the drafts of gift and endowment policies and to email him questions about the proposals at least one week before the next Council meeting (**by Thursday, May 30**). Council will approve final proposals before presenting them to the congregation for vote. Deacon Holland noted that discussions with the congregation about planned giving through the ELCA Foundation will be done in small groups rather than in a larger gathering of the congregation as originally planned.
- In response to a request made by Jay Folk to engage in long-term planning/visioning for the infrastructure needs of church property, Pastor Trump is exploring resources available to assist with a possible capital campaign to raise funds that will support property improvement projects and ongoing property maintenance, among other long-term needs of the church. He has received an initial proposal from a professional campaign coordinator who has led successful church capital campaigns. He noted that creating an endowment fund and conducting a capital campaign will not take place at the same time, and will address separate needs of the church and congregation. Council will continue to explore options in the coming months.
- Pastor Trump asked Council to suggest persons in the congregation to participate with him in the Leadership for Faithful Innovation project in conjunction with the S.C. Synod. Participants will attend three local, one-day retreats and do other work as a group, thinking "outside the box" about the future of our congregation and the church at-large. Pastor Trump will follow up with individuals suggested.
- The S.C. Arts Commission has tentatively approved a \$6,100 grant for this summer's Dramarama camp, and Pastor Trump is waiting to hear about additional grant proposals. With Arts Commission support, Dramarama will be just \$3,000 short of being fully funded through grant monies.

New Business

- Members of the Elm Abode Neighborhood Association are concerned about homeless persons they've observed using church property as a place to sleep and eat. Church staff will be in continuous conversation with our neighbors, addressing concerns as appropriate. Council discussed the possibility of working with the neighborhood association, Cooperative Ministry leaders, and leaders of nearby churches, schools, businesses, and organizations to learn more about the increase in homelessness in our area of the city. Staff and Council agreed to explore the possibility of hosting a community meeting facilitated by Cooperative Ministry or other service organization to begin a community conversation on how to be of service to those in need on our doorsteps.

Closing: Pastor Trump led prayers for parish concerns.
