Dear Partner in Ministry:

“For Everyone A Place at God’s Table” is the theme of our fall stewardship appeal as well as the strategic vision for St. Andrew’s Lutheran. You recently received a copy of the strategic vision and it is also available on the website. The theme points to the grace of God that welcomes all people to gather around the altar table for forgiveness, mercy and hope as we worship on Sundays. The table is our on-going ministry where we meet as a church community to learn about God’s word, where we serve others and where we gather for fellowship.

When we give to the Church, we are supporting and expanding St. Andrew’s ministry. We are giving to be part of a bigger purpose than we can as individuals. We give in gratitude for God’s gifts in order that God’s table is cared for and welcoming for all.

In the weeks ahead you will be hearing more about the exciting ministry plans for-2021. Unfortunately, due to Covid-19, our communication for the fall stewardship appeal will be less personal than previous years. We will correspond through mailings, video, newsletters, bulletin inserts and more.

As part of the stewardship program this year you will be invited to consider increasing your offering for the coming year to meet current needs that aren’t fully funded. We realize everyone’s situation is different. Due to Covid-19 or other circumstances, there are some of you who simply cannot increase your donations. Part of the Stewardship For All Seasons program is that we go so far as to ask for a specific increase from our givers, from one level to another. We believe that there are many who can respond to St. Andrew’s needs with increased generosity. Please pray about this request and do your best to respond as the Lord leads you. We will ask you to return your “Statement of Intent” to the church by the end of October by mail or through email. To ensure the greatest participation by our congregation, we will follow-up with members from whom we haven’t received a “Statement of Intent” beginning in early November.

Together, we are a part of this new vision God has for us in and through this church community. Your generosity can make it possible. Pray for our work together, as we continue to proclaim the good news of God to all people. Thanks be to God.

Sincerely in Christ
