## FROM PASTOR TRUMP

When Covid struck last year, the question many of us were asking was: Can we be back in worship for Easter? Little did we know that we would still be asking that for the following easter. We will be back soon. Right now, people who have been fully vaccinated for at least two weeks can gather in small groups even without masks. If we are with others who might not be vaccinated, we need to wear masks to protect them. Soon, so soon, we will be back in fuller worship, singing behind our masks, as a step toward worship as we used to know it.

If you have been vaccinated, I hope that you feel better about coming to worship now, even if it is a little different than you are used to.

I continue to be thankful for all your faithfulness through this time of trial. I wish that coming back was a simple flip of the switch. It isn't. It will be gradual. Let us slowly but surely return as it is safe to do so. Let us slowly but surely continue to be faithful to the God who surely and constantly is faithful to all.

---

### COVID QUESTIONS:

When will we return to worship "in full"? We just don't know for sure. It is getting better. There is a light at the end of the tunnel. The number of cases still has to go down. Hopefully as more people are vaccinated and the numbers decrease, we can first increase the number of people at the indoor services, while still keeping distances and wearing masks. Then, we can move to singing behind our masks. Then we can move all services back into the sanctuary eventually with no masks.

The best thing everyone can do is GET VACCINATED.

Also, please know that the worship services that are offered are wonderful. While we do not sing, we do hear the word, use spoken responses, and share the meal.

### BLOOD DRIVE

The Lutheran Men Blood Drive held on March 21, 2021 saved 66 Lives! Thank you to all of the donors in our congregation who came out to donate. Al together, 22 people donated at the blood drive and it was considered a huge success. Every donation saves 3 lives and is much needed as we face packed hospitals and continue to battle through this pandemic. Our next blood drive will likely take place in September 2021. Please save your blood donations until then if you can! THANK YOU!

## YODA RULES

We are moving from Middle Earth to Tolkien's good friend, C.S. Lewis' Chronicles of Narnia. We will also have to discuss the faith journey of C.S. Lewis and how it affected his works. Like may, Mr. Lewis fell away from the church and his faith for some time, but returned and definitely admitted it shows in his works. Join us to discuss how one's faith journey shines through in writing and works. You can stream the Chronicles of Narnia trilogy on Disney Plus or you can read the books. Either way, join us for a rich discussion.

# FAMILY PROMISE NEWS

This is just a friendly update on the Family Promise ministry. During the pandemic, Family Promise of the Midlands (FPM) has expanded its ministry by partnering with other organizations in the Midlands aiding children and families experiencing homelessness and other struggles resulting from the pandemic. This allowed FPM to help serve over 40 families during the pandemic.

Presently, FPM is working with four families – three families in the rented tri-plex and one family in the transition house. **SAL's next "host week" is April 11.** To be clear, we will NOT be actually hosting the families in the church. However, our church will do the following to support this ministry:

- 1) Donate \$600 to cover the rent on the triplex for week; and
- 2) Provide gift cards from grocery stores and restaurants to provide meals for the families.

If anyone is interested and willing to actually prepare and deliver a homecooked meal to the families, please contact Steve Slice ([SPSlice@yahoo.com](mailto:SPSlice@yahoo.com) or 803-360-2845) so that can be scheduled.

Also, monetary or gift card donations made directly to FPM are certainly welcomed and encouraged by FPM. Donations can be sent to:

Family Promise of the Midlands, 1333 Omarest Dr, Columbia, SC 29210  
(803) 832-4765

FPM is not currently accepting donations of furniture and household items.

## FAMILY PROMISE GALA

Finally, FPM is having their annual fundraising gala on April 24. It will be an online event. Here is the link to the gala:

[Family Promise of the Midlands](#)

The gala has an incredible lineup of guest speakers and musical performers. Please consider registering to attend the gala. You may attend the gala without making a donation to register, but please give prayerful consideration to donating to attend the gala and possibly sponsoring the gala.

Once again, thank you for your past and continued support of the Family Promise Ministry.

## LET'S GET BACK TO CAMP

In 2020, summer camp was cancelled due to Covid-19, but this year, we are turning our hope to gathering back for campfires, skits, songs, and faith formation. Did you know that those who attended a faith-based camp as a child or teenager have stronger connections to the church as an adult? Camp develops leaders and forms faith for a lifetime. St. Andrew's values the Lutheran camp experience because of the positive impact it has on the lives of those who attend. In fact, ***we will give a scholarship of \$200 towards a week of camp*** to any church member who registers. NovusWay offers four camp locations for children, youth and adults: Lutheridge (NC), Lutherock (NC), Luther Springs (FL) and Lutheranch (GA). They are actively planning for a safe summer Back to Camp and registration is open now.

Have questions about how your camp plans to keep campers and staff safe this summer? Have questions about how to register? Visit [www.novusway.org](http://www.novusway.org) to learn more and register someone you love today for a life changing week of camp. Please contact Deacon Sandra if you have questions about camp scholarships.

## FROM OLIVER GOSPEL MISSION

**Oliver Gospel Mission** is freshly roasting its very own coffee! Every purchase goes 100% back into Oliver Gospel's mission to serve those in need. In addition, we welcome you to join us for a cup of coffee, or a latte in the Roastery's café. Why buy other coffee when you can buy delicious, fresh roasted coffee prepared by the guests we serve. Guests involved in our coffee roasting program will be learning job skills that will set them up for success. Training in areas like customer service, management, and sales will provide a path to a bright future. What a wonderful feeling to know the coffee you drink is actually changing lives.
