WORSHIP, COVID SAFETY AND CARE FOR OUR COMMUNITY

Based on the current CDC guidelines, masks are now optional for those who are fully vaccinated. If you have not yet been vaccinated or are choosing not to get vaccinated, we ask that for the protection of others and God's call to love our neighbors that you continue to wear masks in worship spaces and in the church building.

- Sign-up is no longer necessary for the indoor (9:30 a.m. service).
- We are exploring having more shade at the outdoor service as the temperatures rise. Please feel free to bring umbrellas, sun hats, fans, water, etc. to keep yourself and your families comfortable!

Bible Reflection

Since we are people who profess to live by God's word, I thought some consideration of that word might be interesting. We are studying the book of Deuteronomy. There are very interesting passages, some deeply troubling ones, and many that directly apply to our lives as Christians. How and WHY are we called to honor the Sabbath? WHY are we asked to give back to God what we have first been given us? This critical book of the Bible talks about both, repeatedly. Look up Chapter 14 and read it. Here is what my commentary says about these matters.

Remember the Sabbath and keep it holy.

Deuteronomy 14

From The New Interpreter's Bible Commentary: To "observe the sabbath day to keep it holy" (5:12), therefore, was not simply a convenient way of enjoying a break within a busy routine. It was, rather, the acknowledgement of the immense mystery and inescapability of the passage of time. It was, in its link to the story of creation a recognition of the crestedness of time and of the distinction between the "now" of present human experience and the "then" and "hereafter" that can only be thought about, but never actually experienced. So the marking and observance of the sabbath by prayer and rest from work formed the simplest and most basic of distinctions that shaped and ordered the temporal world" (p.403).

And regarding our giving back to God:

Deuteronomy 14

From The New Interpreter's Bible Commentary: "The tithe undoubtedly had very ancient origins, serving both as a gift and, more important, as an act of consecration. It maintained the orderliness and integrity of the cycle of life. And it expressed the return to God of some part of what the worshipper had received from God, since, just as some of the crop had to be retained for seed, so also some further part had to be handed back for the use of the divine giver. So the tithe came to fulfill many significant purposes. It reminded the worshiper that, in harvesting the crops or counting the offspring of flocks and herd, there had occurred an act of receiving and not simply of producing. The worshiper had participated in a life-sustaining cycle in which he or she had co-operated, but over which only God had ultimate control" (p.403).

You may of course JOIN us for Bible study online on most Wednesdays. Please check the weekly schedule.

7:00 p.m.

- Curtis Amick called the meeting to order at 7:06 p.m.
- Beth Hutchison led the devotions.
- Council approved the minutes of the April 15, 2021, meeting.
- Council approved the agenda as submitted.

President's Report

Justin Vargo discussed potential issues with the lower-level HVAC replacement in the education wing. The previous system had an underground return air duct made of brick and concrete. The system was installed when the building was constructed. Water was discovered in the duct system during installation of the new HVAC system. The water was pumped out, but some remains. The plan is to monitor the humidity levels, and if they stay low with the current pump, the duct system will probably be okay. If humidity levels rise, something else may need to be done. No action was requested on the system during the meeting.

The Pastor's Report was submitted and accepted.

The Deacon's Report was submitted and accepted. Sandra noted that the church plans to have in-person Bible School during the third week of July. Most of the activities will held outdoors.

CHILDREN AND YOUTH

YOUTH AND LUTHER LEAGUE

Sunday, June 13 - Kayaking on the Saluda River for Youth and Luther League kids. (Luther League kids are 3rd-6th graders). Luther League kids must be accompanied by a parent. This will be a guided kayaking trip, but we will need one parent for each child going. The cost is \$35 per person. If this does not work for your family's budget, please let me know and the church can help. Please let Sandra know if you are planning to join us by **June 6th** so she can get a firm number to the kayaking company. The company we are using this year is called [Canoeing for Kids](#). It is a non-profit organization that uses proceeds to provide river experiences for kids who ordinarily wouldn't have the opportunity.

SOCIAL MINISTRY TEAM

Family Promise of the Midlands

Family Promise Host Week

St. Andrews Lutheran next host week is June 13-19. We will donate \$650 to Family Promise to cover the rental of the triplex and a week of utilities. Recent host churches have provided a combination of hot meals, groceries, and gift cards for families in the triplex and transitional home. During our last host week, we provided gift cards to purchase groceries for the families in the triplex and a restaurant gift card for the family in the transitional home. We didn't take any hot meals to the families because of COVID19 protocols. However, if anyone would like to take hot meals to the families during our June host week, here is a link to the signup sheet in SignupGenius: <https://www.signupgenius.com/go/4090448ADAF2CA7F85-family9>

If you can't access the link and want to provide a meal to the family, please contact Steve Slice, SPSlice@yahoo.com or 803-360-2845.

Family Promise General Update

Family Promise has four families in the program – three in the triplex and one in the transitional home. All four families are doing well. The new family that joined the program in May is adjusting well. The mom will soon be going back to school to complete her education degree. The focus for the children of all the families is on transitioning from the school year to the summer -- with the goal being a combination of academic and social activities for them during the summer months.

Lunch & Learn meetings are held monthly for Day Center Volunteers (DCV). The meetings are currently focused on learning more about the local agencies to which our DCV's refer callers who are looking for shelter or other assistance. The May meeting featured Sistercare and lunch was donated by Jason's Deli. Anyone interested in becoming DCV or who want to know more about the featured agencies are welcome to join in person or via Zoom. Meeting information will be shared prior to the June Lunch & Learn.

The future of Family Promise

Jeff Armstrong, Executive Director of Family Promise of the Midlands, has announced that the triplex – which is a static housing model - is an annual lease agreement that began February 1, 2021. Also, as we emerge from the pandemic, the current guidance from HUD & the CDC discourages congregant living arrangements like the rotational model. Therefore, the static model will continue for the foreseeable future. It is unknown when, or even if, Family Promise will return to the rotational model.

Family Promise of the Midlands is asking each host and support church to provide wish list items for two children. The wish list and link for donations are found on the following page.

PROPERTY TEAM

IMPORTANT NEWS

We have discovered that several of our large trees behind the fellowship hall are infested with carpenter ants, which has resulted in hollowed-out trunks. There are also several dead branches hanging precariously above where we sit for outdoor worship. Several professionals have assessed the trees and we have concluded that for the safety of both people and property, they need to be felled. The work was scheduled to take place this week, so our back parking lot should look a bit different next time you come to church! But... we are exploring other shade options for outdoor worship and have a wide-open parking lot that will accommodate all of us. Or you may choose to worship at the indoor service at 9:30. If you do plan to be outside, it may be more comfortable if you bring your water bottle and an umbrella, tent, or big floppy hat to help shade you. See you Sunday!

Thanks,
Beth Mullins, Property Team Co-chair
