### FROM PASTOR TRUMP

The news continues to not be so good. Afghanistan is a disaster and we do not know what will befall the people there. A recent report by 170 of the world's top climate scientists states that the environmental situation is worse than we thought and that without question humans are the primary cause of global warming. Covid is surging through our country. Our southern border has many issues including how are we to treat those fleeing to our country with justice and mercy even as we secure the border? The political world is as divided as ever. All these things I have mentioned share one thing: blame. Everyone wants to lay the blame for problems at the feet of someone else. We want simplistic answers to issues so that it is easier to pronounce blame. Humans like to point fingers at the other, which is why worship starts with confession.

We begin by admitting our own faults, our own most grievous faults. We ask how we have sinned in thought, word, and deed. We say with others that we have not loved as we have been loved.

Unfortunately, few of us will be able to have a large influence over the large issues facing our world. There may be ways we will be asked to do our part, maybe with conservation, or wearing a mask, or in taxes, or other ways. I certainly don't have all the answers. The Gospel does not give us all the answers to difficult problems as well, but it does direct us in how we are to approach problems. How can we love our neighbor as ourselves? How can we live for the sake of the other? It probably begins by not always blaming the other, be it the other party, the other race, or the other person across the street, or in the next pew!

## WORSHIP PAGE

### WORSHIP

Due to COVID we will continue to offer two worship services. This is in order to offer one service where we can guarantee that all will be masked.

- **9:30** – Word and Sacrament (no singing) – masks required.
- **10:30** – Word and Sacrament (with singing) – masks strongly encouraged for the protection of all and required *for those who cannot be vaccinated*.
- The prerecorded worship continues to be offered.

It is still our hope and expectation that once the infection rate numbers go low enough, we can move to one service at **10:30**.

If you have questions or concerns, please feel free to contact any of the members of the Covid Task Force: Pastor Trump, Deacon Holland, Jenny Walrath (Music Ministry Director), Nancy Gibbons (Adult Choir Director), Dr. Claire Birdsong, Dr. Donna Ray, Curtis Amick (Congregational President), and Judy Venturella (Worship Team Chair).

**Thank you so much for your continued faithfulness in worship and for helping all protect one another.**

## The Back Pew – Jeff Larson

Let your moderation be known to all men..  
**Philippians 4:5** IS NOT a scripture regarding giving.

### (i.e. How's the Giving?!)

Thank you! We are making it through the summer and as of the end of July we have only spent \$10,000 more than you gave. This includes the fact that we had to spend almost that much on tree removal. Now, we are way behind on what we have budgeted which means the church has worked hard to save wherever it can. Please note that the Choir Director and Youth Ministry Associate positions that were vacant for several months have been filled.

Hopefully as people return from summer vacations and come to church, albeit with masks, our giving will increase.

Thank you to all who give “automatically” even when you cannot be here.

***Thank you to ALL who give to the Debt Retirement. It is almost completely paid off. It is our sincere hope that these gifts will continue to the Current and Benevolence or another fund of your choosing.***

## COUNCIL HIGHLIGHTS

### AUGUST 2021

- Approximately \$8000 has been pledged for the choir room fund which is enough for the floor and painting.
- The council agreed to accept the donation of a grand piano for the choir room from Ron and Jenny Walrath.
- The council voted to spend up to \$2,500 from the Memorial Fund to repair the church sign in front of the sanctuary.
- So far this year, giving is under expenses by about \$10,000. That includes money spent to remove several trees on the property. Were it not for the tree removal, giving and expense would be even.

Thanks for always showing up!

# FELLOWSHIP AND OPPORTUNITIES

## IT'S TIME -- TO JOIN THE CHOIR!

It's all in the timing, they say...

You may think this is a strange time to invite new singers to the choir, but it's really just right. All of our voices (mine included) are pretty rusty. Most of us haven't sung outside of the car or the shower in a loooooong time. We're all starting back at square one.

But we want to sing. And we need to sing. And God calls us to sing. So whether you've been a choir member forever, or simply a person who

every once in a while thinks that you might want to give it a try, now is the time! Let's get our voices back in shape together - come join the choir!

I'm very much looking forward to the whole choir singing in worship, but of course the current COVID resurgence has slowed things down a bit. Here's what our plan looks like at the moment:

First rehearsal: Target date is **Wednesday, Sept. 22.**

Location: in the choir loft to allow space for distancing.

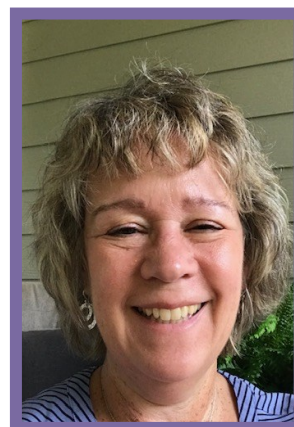

Here comes the challenge - In keeping with St. Andrew's current protocols, we will wear masks while rehearsing and on Sundays in worship. I know this is not what any of us was hoping for, but we can do it!

If you're vaccinated, that's awesome! If you're not, I strongly urge you to do so, for your own health and the health of those around you. I believe we are called to care for our neighbors as well as ourselves.

Even if you are not sure about choir yet, let's talk. I am truly so excited to be part of the St. Andrew's family, and more than ready to make music together!

"...sing psalms and hymns and spiritual songs among yourselves, singing and making melody to the Lord in your hearts" - Ephesians 5:19

Peace,  
Nancy Gibbons, *Choir Director*

All women of the church are invited to join in on this fun weekend away together. We have reserved a large house at Lutheridge and hope that the Covid numbers allow us to gather safely. Watch for more details but mark your calendars now. If you would like to serve on a planning team, or have questions, please contact Sandra Holland at [sholland@salutheran.com](mailto:sholland@salutheran.com) or 803-269-9659.

## WORSHIP OPPORTUNITIES

---

### ALTAR GUILD HELP NEEDED

As you can imagine, a lot of preparation happens prior to Sunday mornings so that our services are meaningful and worship-filled. Pastor Trump prepares a sermon, Jenny Walrath and others prepare to lead the worshipers in music, many other people read the lessons and assist in worship leadership but there is a “behind the scenes” ministry that you may not be aware of ---The Altar Guild. Certain things must happen in order for worship to come together-- preparing the bread and wine, changing the paraments on the altar, lectern, and pulpit to reflect the current liturgical season, polishing the silver, filling the baptismal font with water, ordering all the supplies, etc. Would you be willing to serve in some small way to enhance worship? This would also be a wonderful way for a family to learn and serve together. Contact Sandra Holland at [sholland@salutheran.com](mailto:sholland@salutheran.com) or Joyce Shealy at [t\\_shealy@bellsouth.net](mailto:t_shealy@bellsouth.net) if you are interested in being a part of this meaningful ministry.

## GIVING OPPORTUNITY—ELCA

Hurricane Ida made landfall near New Orleans on Aug. 29 – exactly 16 years after Hurricane Katrina. As a strong Category 4 storm, Hurricane Ida’s 150 mph winds, torrential rain and strong storm surge caused widespread flooding and wind damage in southeastern Louisiana and coastal Mississippi. Homes are flooded and residents are awaiting rescue, which is hampered by the high waters and debris-clogged roads. Strong winds knocked out power lines and electrical substations, leaving more than 1 million people without power, including the entirety of New Orleans. In some areas, electricity is not expected to be restored for weeks. Ida weakened into a tropical storm as it moved inland and will likely cause heavy flooding in Mississippi, Alabama, and the Tennessee and Upper Ohio valleys.

The impact of Ida is yet to be fully assessed, but with a hurricane of this scale, rebuilding will be costly and take years. With extensive experience in accompanying communities throughout the relief and long-term recovery phases, Lutheran Disaster Response is working with local ELCA synods and Lutheran social service organizations to coordinate a response to Hurricane Ida. Immediate needs will include basic necessities and temporary housing. Long after the headlines change, Lutheran Disaster Response will continue to accompany communities on the journey of rebuilding their homes and lives.
