“God’s gonna turn this whole world upside down.”

These were the lyrics from one of our hymns this past Sunday. We had an absolutely wonderful worship service with some “camp” music. It was Transfiguration Sunday, when we listen to the story of Christ being revealed in glory. We look forward to that day when God will turn the world upside down so that all that is in pain, or sorrow, or darkness will shine with God’s light. However, there was one little boy who turned to his parent and said, “I don’t want God to turn the world upside down!” How insightful!

You see, for most of us the world is a pretty good and safe place. We like it the way it is. But for the people of Ukraine, for instance, or other war-torn areas of our world, or for those in deep poverty, or those who have broken relationships in their lives, they might long for the world to flip. They long for things to be different.

We need not feel guilty if we like our lives as they are. That is a blessing of God. What is required of us is thanksgiving and, yes, a longing for justice and peace for those who do not know it. What is required is that we serve the Lord in ways that work to turn the world upside down for those who need it. It’s not easy. The world can seem awfully heavy. However, He’s got the whole world in His hands. God lifts with us.

Peace,  
PT

## GRACE AT THE TABLE

A Five Part Drama Series for Lent presented during *Holden Evening Prayer*

Written by Pastor Trump

Directed by Vicky Saye Henderson

Families gather around tables. What happens though, when family difficulties get in the way of family unity? GRACE AT THE TABLE centers on the troubled relationship between brothers, and the son/nephew who works to mend them. Is it possible? What does God desire? Dramas allow us to explore all aspects of such a situation. They allow us to acknowledge that it is not easy to simply forgive and forget. Dramas center around human characters, not saints. The dramas will be presented during the *Holden Evening Prayer* worship services on March 9, 16, 23, & 30, and April 6. Please join us!

## INTERN CORNER

Grace and peace to you in the name of Christ. Well...my adventure continues. I want to say first a big thank you for continuing to be a part of my education on this internship and for continuing to make me feel a part of the body of Christ here at St. Andrew's. The community that I find here has been so helpful in my transition from the friends at seminary that I do not see as much anymore. Your continued graciousness to me means so much, it has aided in a somewhat jarring transition. As you may know, I have ventured out into something that kind of scared me to do. I am singing with the choir, and I am loving it! It is doing so much to awaken to me the gift of song and the depth it adds in praise.

My time with the Door Home and Stacey is continuing to open me up to worlds around me that I never took time to notice before. I am learning and seeing about food insecurity and transportation needs and how things we take for granted sometimes are out of reach luxuries for others, which is causing me to be more grateful for the things I am blessed with. More than things though, I am learning the value of relationship on a deeper level. Many of those that I meet want someone to listen, to see them, to care about their lives. Prison chaplaincy for is still not ruled out but, also stirring in me is a desire to be a bridge that facilitates deeper and lasting relationships between the Church and the world around it. We have a great treasure given us called the Gospel, unlike the treasures here of Earth, this Gospel replenishes the more we share it! As I close, I thank you for your prayers and ask that they continue specifically as it pertains to moving into the stage where I am going to be learning the practical side (at least in a crash course) of getting ministries off the ground. I will be heading a small part of Stacey's 100-day project at Aimes Villa and that includes learning the administration aspects. This should be...at least interesting!

—Stephen Abbott

Have you read the book, NO CURE FOR BEING HUMAN, by Kate Bowler?! If you said, ‘yes,’ then ZOOM with the ladies of SALC All Booked Up on Thursday, March 17, 2022, at 6:30PM. Be prepared to share your thoughts, insights, and opinions. But, if you said, ‘no,’ then you are in the same boat with me! I am looking forward to hearing all about it!

Actually “reading” the book is never a requirement to being part of this group . . . I know from experience! It’s camaraderie, sharing laughter and even a few tears, and just having a good time. Honestly, the ‘book’ is a bonus! Trust me when I say that reading the book is not actually a requirement. The book discussion is always interesting, insightful, and engaging, and it has been my experience that, even if I didn’t get to read the book, I feel like I did.

If you haven’t participated before, give us a try! If you have but you haven’t been participating lately, please come back! If you have any questions, please contact Kristine Thompson at 803/413-6498 or email to: [k\\_a\\_thompson1326@outlook.com](mailto:k_a_thompson1326@outlook.com) and look for the ZOOM link in weekly schedules.

### REGISTRATION OPEN FOR NOVUSWAY CAMPS (LUTHERIDGE+LUTHEROCK+LUTHER SPRINGS+LUTHERANCH)

A week of camp can make a difference in the lives of children! It's time to register your child or teenager at [Novusway.org](http://Novusway.org).

The church will help pay for part of your registration fee. Your St. Andrew's congregation values the impact of camp and will pay up to \$200 towards your child's camp fees. Please ask Judy Venturella (church treasurer) or a staff member how to take advantage of these funds. There are also programs available for adults and pre-camper age children, including Family Camp, Music Week, Grandparents Camp, and a program for campers age 15 and up with special needs. Our church has had members attend most of these programs, so if you have any questions, please let someone on our staff know and we'll be happy to talk with you about these faith formation options! Here are some testimonials from our congregation:

*My wife and I decided to take our family vacation at Lutheridge's **Family Camp** in 2018. We were looking for something different than a resort; something that could help us connect as a family; and something that could help us connect spiritually ...we realized it was not so much the place, but the people and their Christ-likeness that made it so special and magical. We returned to in 2019 and, much like a well-known sci-fi trilogy, the sequel was better than the first! We loved it again and look forward to returning."*

—Joe Casey

*I love going to Lutheridge (as a camper) because I always get to try something new, such as learning new worship songs or games, and I get to have fun away from home. I love getting to bond with my cabin mates and other campers as we do fun activities and encourage each other to be creative. Camp is important to me because it gives me a chance to enjoy the outdoors and new friends; and I will keep the memories I have made there for a long time.*

—Christa Lasalle (camper from Pioneer through high school)

**Grandparents Camp** at Lutheridge was a great time both for us and our grandchildren.

*What a holy opportunity to spend time focused on enjoying God's creation and the gift of being "grands."*

—Brian Peterson and Linda Anderson

**Music Week at Lutheridge** keeps me coming back! The week is full of church music and worship for all ages. The week has given me the opportunity to learn interesting music from inspirational church musicians and try out new experiences in music and worship. Even more valuable, it has given me time to connect and have fun with fellow musicians from our congregation.

—Melinda Crenshaw

## SATURDAY AT ST. ANDREW'S

Join in the fun on Saturdays or any day at St. Andrew's! Can you share a few minutes of your time and volunteer to do an odd job at church that just doesn't ever seem to get done? It can be a one time job and you are done! Check your Enews and the table in the Narthex for a list of odd jobs that could use some attention. The help would be much appreciated.

Bert LaSalle and Andy Connaker were up to their ears in wires, adding new Wi-Fi to all parts of the church. Please thank you them the next time you see them.

One of our dedicated Grounds volunteers, Jay Folk, roams the church property for all the treasured trash. Consider volunteering for grounds just one time.

*Please contact the office or just come by and get to work.  
Thank you!*
